

Headwall Partners Announces Location of New Headquarters

Greenwich, CT, May 17, 2017 – [Headwall Partners LLC](#) (“Headwall Partners” or “Headwall”), an independent corporate finance and strategic advisory firm focused on the steel metals & mining and paper packaging & building products industries, announced today it has relocated to a new corporate headquarters in Greenwich, Connecticut. The new office is located at 67 Holly Hill Lane, Suite 308, Greenwich, CT 06830.

“I am excited to move Headwall to our new corporate headquarters while remaining in Greenwich, Connecticut,” stated Peter J. Scott, Founder and Managing Partner of Headwall Partners. “Our new location, with its state-of-the-art facilities, will enhance our ability to serve our clients.”

The move stems from Headwall’s need for additional space to accommodate growth in demand for its services. The location was selected so that Headwall would remain in the financial hub of Greenwich while less than an hour from the financial district in Manhattan.

Headwall recently announced the publication of its “North America Steel Sector Growth Survey”, which summarizes the perspectives of senior steel executives, who anticipate that mergers and acquisitions (M&A) will be amongst the key drivers of near-term growth in the steel sector.
