Greenwich, CT, July 05, 2017– [Headwall Partners LLC](#) (“Headwall Partners” or “Headwall”), an independent corporate finance and strategic advisory firm focused on the steel metals & mining industries, today announced that it was featured in American Metal Market last week in an article titled “SSS: Sentiment Upbeat for M&As, financing.”

The article discusses the results of a mergers and acquisitions analysis conducted by Headwall Partners and presented by Peter J. Scott, Headwall’s Founder and Managing Partner, during a panel discussion at the Steel Survival Strategies XXXII conference held in New York on June 27, 2017.

“Steel companies that are systematic in such purchases – with big and frequent acquisitions – have tended to outperform peers in revenue, earnings growth and shareholder return, at least from 2007 to 2017,” reported by Nat Rudarakanchana, reporter at American Metal Market.
